NHS COVID-19 Vaccination Service

COVID-19 ADVICE

Every adult, including foreign visitors living in the UK is entitled to testing, treatment and vaccination for Coronavirus (Covid-19), free of charge without any immigration checks.

Anyone living in the UK without permission, can have the vaccine and not pay for it.

People do not need to have a GP or an NHS number or pay to get:

- **Tests for coronavirus (even if the test is negative)**
- **Treatment of Coronavirus - including virus related problems which affect some children**
- **Vaccination against the coronavirus**
- **Any Coronavirus services**
