UK Men's Sheds Association

Every Tuesday
9am - 3pm

Men's Sheds Group
Horley Health Hub,
120 Victoria Road, RH6 7BL

A time to meet, pursue practical interests at leisure, to practise skills and enjoy making and mending. The difference is that garden sheds and their activities are often solitary in nature while Men's Sheds is the opposite. This project is about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.
